

Georgia Tech Shenzhen shared Georgia Tech School of Electrical and Computer Engineering's post.

January 5 ·

Congratulations to Professor Rincón-Mora!

Georgia Tech School of Electrical and Computer Engineering

January 5 ·

Congratulations to Professor Rincón-Mora! He has been named a Fellow of the National Academy of Inventors (NAI) and will be inducted during the Seventh Annual Conference of the National Academy of Inventors in April. A member of the ECE faculty since 2001, Rincón-Mora is being recognized for his work in energy-harvesting and power-conditioning microchips. Click below to read more.

Rincón-Mora Named NAI Fellow | School of Electrical and Computer Engineering at the Georgia Institute of Technology
